Quickcut moves North American headquarters to new offices

Ventura, CA; November XX, 2005 – Quickcut, the world's leading provider of digital advertising workflow solutions, has moved its North American headquarters operations to Ventura, California to accommodate corporate growth. The new office space provides for more comprehensive customer support and allows ample room for staff expansion.

Quickcut's new North American headquarters office address is:

Quickcut North America, LLC
56 East Main Street, Suite 200
Ventura, CA 93001
Tel: 805.653.5337

"Our new offices underscore the growing acceptance of Quickcut's digital advertising workflow solutions by advertisers, agencies and the print community in North America, while providing a convenient location on which to base our business operations," remarked Dean Benjamin, Executive Vice President, Quickcut North America.

Quickcut is the world's leading provider of digital advertising workflow solutions and a pioneer in the emerging field of Global Media Exchange, with more than 5,000 companies comprising its broad international client base. These workflow solutions rely on Quickcut's unique and proven software technology to ensure that a broad range of production-ready job files will be properly prepared, color-managed, validated and delivered according to individual publishing or print specifications, saving time and resources for content creators and receivers. During the last 12 months alone, more than 2 million files representing the full spectrum of print production were developed, validated and distributed to printers and publishers around the world using Quickcut workflow tools.

Headquartered in Sydney, Australia, Quickcut has offices and Licensees around the globe, in Australia, Germany, India, Ireland, Malaysia, New Zealand, Singapore, South Africa, United Kingdom, and the United States. The company also is a member of and strategically aligned with several industry organizations, including: AdsML, CIP4, DDAP, Ghent Workgroup, IDEAlliance, IPA, and PPA. More information about Quickcut is available at www.quickcut.com.
